

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Boy, wasn't that a real barnburner over at Stamford Friday night. The Bulldogs were higher than a kite and the Pipers just kept letting them stay in the game.

While the Pipers defensive unit did not play up to the level of its past performances and they had some bad breaks go against them, the Pipers still proved that they were champions. In most of the games this year it has been the defensive unit that has turned the tide of the battle, but Friday night it was the offensive unit's turn to save the day—and save the day they did.

Hamlin's sensational junior half-back Johnny Jones should have proved to everyone's satisfaction why he is rated a candidate for all-state honors this year. And while he had lots of help from his blockers he still ran over people, ran past them, and just plain left would be tacklers lying all over the field. And when he wasn't running with the ball he was knocking big holes in the Stamford defense for his running mate, Albert McAfee to run through.

And for that matter, McAfee had a good night running too, as he picked up 132 yards and two touchdowns.

We cannot help but believe that the Pipers just might have been taking just a little peek ahead at Ballinger the other night when possibly they should have been concentrating on Stamford a little more.

But now that they have gotten by Stamford, it might just be well if they did look ahead a little because they will likely need everything they can muster to get by the Bearcats. Everything will be on the line here Friday when the Bearcats come to town, with both teams undefeated in district play and the title on the line.

With the kind of following the Pipers have had this season there does not seem to be much need to urge anyone to go to the game. Expect we will have another housefull Friday night cheering the Pipers on to the district title. (The winner Friday will chinch a playoff spot and at least a share of the crown.)

Although it has quietened down somewhat, there still are a great many calling for the impeachment or resignation of President Nixon. On what grounds we are not too sure of.

Personally, while we are not very pleased with his actions during all of this Watergate mess, we would like to know who would take his place. We are just not sure that Gerald Ford is the man to be President of this country for the next three years, that is if he can even be approved as Vice President.

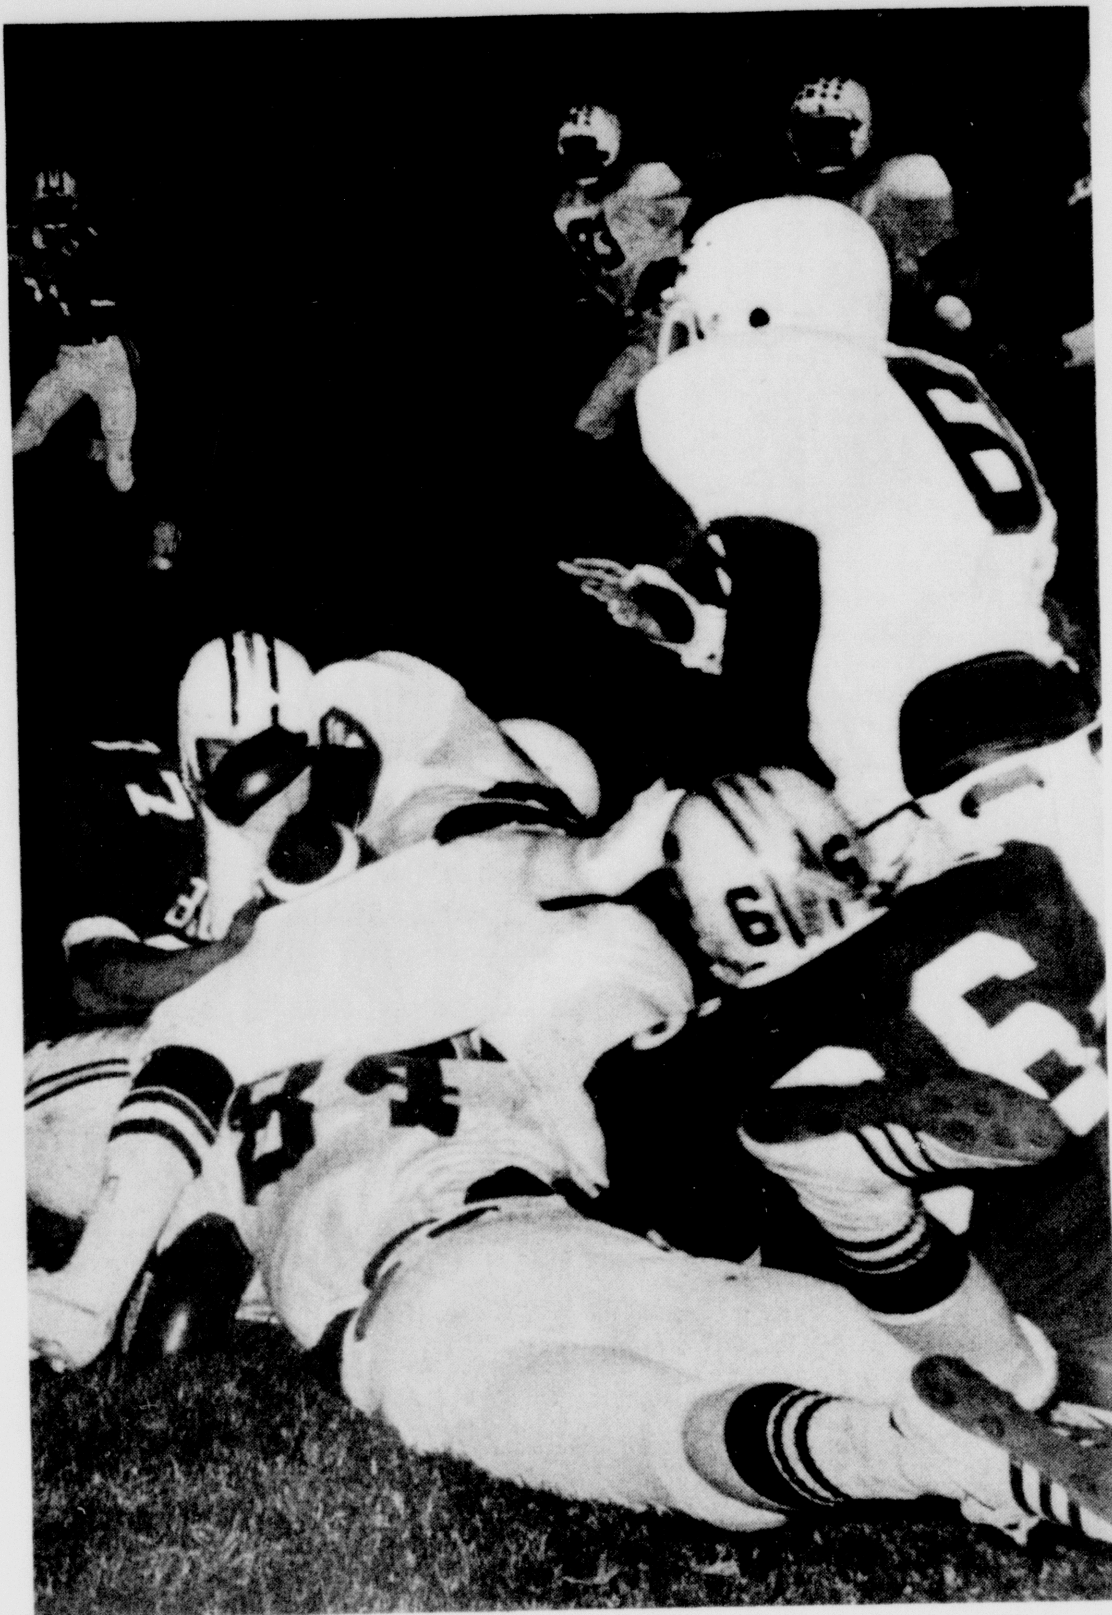

With political mud slinging going back and forth between both parties during all of this mess, it is hard to know just how much wrong has been committed and by whom.

Down at Andrews, an attorney named Bert Smith has what might be a good idea to clear up the whole mess. He wants the president to call a special news conference and announce the creation of a special task force headed by University of Texas law professor Charles Wright. And the duties of this task force would be to start with Nixon's friend Bebe Rebozo and investigate him down to his sweat socks.

At the same time, the task force would investigate and look into the election, the background, the family tree of every member of Congress, every cabinet officer, every administrative head of every bureau in Washington, all foundations, all big city publishers of newspapers and magazines, television network commentators, TV net work officials, and each and every judge above the district level in the country.

To do this, he wants the full help

Continued on page 4

GETS ALL HE CAN—Johnny Jones goes over the top of David Willis (84) to pick up all the yards he can as he drags one Stamford defender and goes over the top of another. Looking for some way to help out is Alfred McAfee (61) and in the background is George Titus (83) and Ray Scifres. (Photo by Tim Jones)

NOT ALWAYS EASY—

The Life of A Football Official

The life of football officials is not always an easy one. Most get cussed at one time or another, some get roughed up by irate fans, some even end up with broken bones.

But, then there are those that get locked out in the cold with nothing on but a towel.

This happened to one of a crew of four calling the Colorado City-Sweetwater game last Friday. And the other three were not in much better shape as they were without their clothes—they just were not out in the cold.

The incident as told by Mrs. Eddie Offield, wife of one of the four officials happened as follows:

The four officials working the game were Offield of Hamlin, a pumper for Texaco; Oris Grever of Abilene, Internal Revenue Service; Norman Bonds of Abilene, Radiology Associates Business Office; and John Fred Phillips of Abilene, associated with McMurtry College.

In Colorado City the officials do not dress at the field house at the stadium, but rather at the high school gymnasium which is some 12 blocks from the stadium. The officials are instructed by the coaching staff to just turn out the lights and pull the door closed when they get through and it would all be locked up.

And probably week after week this routine has worked just fine for most of the crews working games in Colorado City.

But for this crew things seemed to just go from bad to worse.

After the game the men were taking a shower in the gym when a knock on the door caused one of the officials, Bonds, to wrap himself in a towel to go see what was needed. To get to the door, Bonds had to go through the coaches' office with an automatic locking door that locked behind him.

Getting to the door he finds a boy who wants him to take the game film to

Abilene. Clad only in his towel, he takes the film but in so doing lets the door lock behind him. Now he is on the outside, in his towel, and the boy has already gone.

Shivering in the cold, he tapped on the windows until he finally got the attention of the other officials inside.

They let him in another door but it is at this point that they all realize that all of their clothes are locked inside the coaches' office, along with the telephone.

The only attire that the officials could find in the gym were junior high football uniforms. The smallest of the four men, Grever, outfitted himself in a tight fitting uniform, located some shoes in another locker room and headed out for help.

Since it was getting late, most of the homes in the neighborhood were without lights. Grever kept searching until he found a home with the lights on and a highway patrol car parked in front.

Feeling that this was a good prospect, Grever knocked on the door, tight fitting football uniform and all. When he saw the look of shock registered on the face of the woman who came to the door, he quickly explained, "Lady, this ain't no trick or treat, this is for real."

He was in luck however, he had stopped at the home of the Booster Club president and the coaches were quickly notified of the trouble the officials had found themselves.

Thoughts running through the minds of the four, including Offield's, were would they have to spend the night in the gym and face working the next day without sleep. Then it occurred to them that since this was Friday night it might be Monday before anyone showed up at the gym.

But as it was, the officials had their clothes back and were on their way home only about an hour later than usual.

HERE FRIDAY NIGHT—

Ballinger-Hamlin Put District Title On Line

The Ballinger Bearcats and the Hamlin Pied Pipers will square off in Piper Stadium Friday night at 7:30 to determine who will represent District 5-AA in the state playoffs. Both teams will go into the contest with perfect records in District play.

Last week while the Pipers were outscoring the Stamford Bulldogs, 63-32, the Bearcats were edging out Anson, 7-6, and in the other district contest Haskell defeated Winters, 33-7.

In other district games this week Anson will be at Winters and Stamford at Haskell.

In talking about the Stamford-Hamlin game last Friday, Coach David Bonds told the Booster Club Monday evening that the defensive unit just did not play up to par. "We were just not going to the ball as we

have been all year," he said. Ray Scifres was named the offensive lineman of the week and David Willis was the top defensive player, as announced by the coaching staff.

The Bearcats will bring a 6-2 season record into Friday's contest with losses only to

Reagan County and Coahoma and have wins in district play over Winters, Stamford and Anson.

Top ground gainer for the Bearcats is Fredrick Snell, a converted tackle from last year who placed second in the 100-yard dash in the district track meet last spring as a sophomore. At 205-pounds, he is big and quick and runs from both the tailback and fullback positions. He also plays end on the defensive unit.

Quarterbacking the Bearcats this year is Tommy Parrish, a 158-pound junior, who is a good passer and runs the option well. The other back will be either Robert Buxkemper, 165-pound junior, or Earnest Quirino, 150-pound junior. Buxkemper is the better of the two backs but has been injured and may see only limited action.

The Bearcats have a good set of receivers in Frank Mata, 155-pound slot back; Randy Hutchins, 155-pound split end; and Randy Turner, 170-pound junior tight end.

In the line will be Mike Edwards, 190-pound senior, and Fermin Rodriguez, 215-pound senior, at the tackle position. Eddie Yocham, 170-pound senior, and Floyd Pena, 165-pound junior, at the guard spots, and Gary Everett, 165-pound senior, at center.

Rotary Club Supper Set Here Friday

A supper featuring Spaghetti and Meat Balls will be served by the Hamlin Rotary Club Friday preceding the Ballinger-Hamlin football game.

The meal will be served from 5:30 to 7 p.m. in the high school cafeteria.

Tickets are \$1.50 each and are available from Rotary Club members or at the door. Bill Rountree is ticket chairman.

Joe Ford is food chairman. Richard Young is club president.

The public is invited.

P-TA Meeting Set Here Today

"Visions of Sugarplums" will be the topic used by Mrs. Kathryn Cawley, representative of Lone Star Gas Company, at the Parents-Teachers Association regular meeting today (Thursday) from 3:40 to 4:40 p.m. She will discuss preparing and wrapping food for Christmas gifts.

Entertainment will be provided by the third grade classes under direction of Reba Jackson, music instructor.

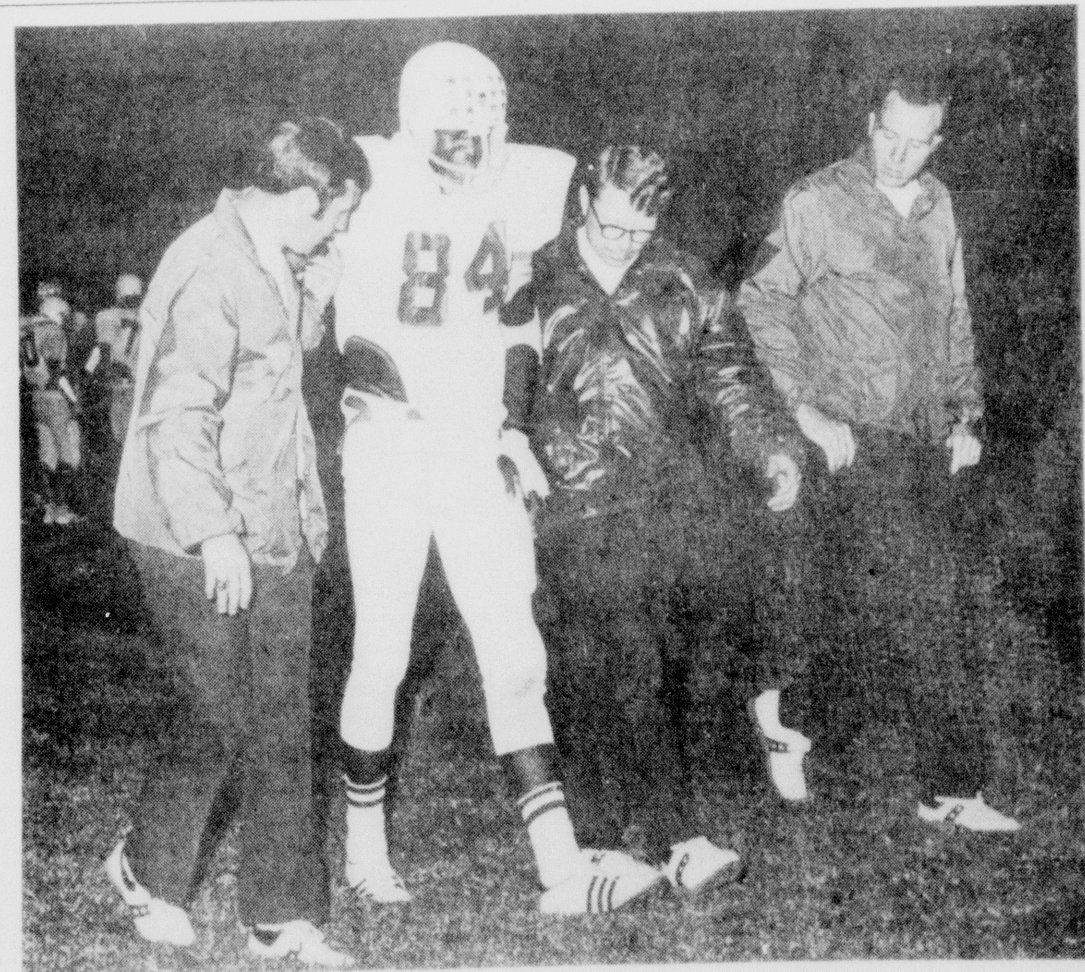

The Rev. Buster Grigg, pastor of Central Baptist Church, will lead the invocation.

Mrs. Sam Mack Hodges will present the thought of the month.

Dinner, Bake Sale Planned

A Turkey and spaghetti dinner and bake sale will be held Saturday, Nov. 17, from 11:30 a.m. to 1:30 p.m. in Fellowship Hall of First United Methodist Church.

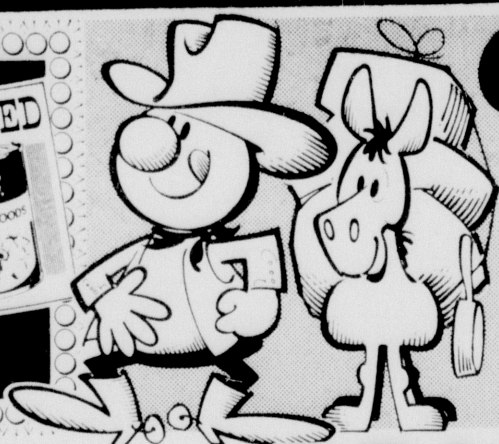

The event is sponsored by the United Methodist Women. Tickets are \$1.75 for adults and 75 cents for children under 12.

HELPED OFF THE FIELD—Piper tight end and defensive safety, David Willis is helped off the playing field by Coaches Bill Grissom and Tom Dechairo, with Head Coach David Bonds looking on. But Willis did not stay out of the contest long as a few plays later he was back in and intercepted a Bulldog pass and returned it 35 yards for a touchdown. He was awarded the Defensive Headhunter award, as the top defensive player by the Coaching staff. Ray Scifres was top offensive lineman. (Photo by Tim Jones)

THE HAMLIN HERALD, HAMLIN, TEXAS, 79520

Literary Club Meets In Smith Home Friday

Mrs. Opal Smith was hostess for the Friday afternoon meeting of Woman's Literary Club. Mrs. Jackie Williams, president, presided.

Mrs. John Poe, a member of the yearbook committee, was elected to the office of second vice president to succeed Mrs. Grady Chapman, who moved from Hamlin.

Mrs. Fred Smith was elected reporter to fill the vacancy which occurred when Mrs. James Stewart moved to Snyder.

Mrs. W. H. Little was elected to membership. Federation news was given by Mrs. L. O. Hughes.

The program, a chalk talk by Mrs. Nell Bennett of Stamford, was not presented, due to the illness of Mrs. Bennett. Future programs were discussed during this meeting.

The next meeting will be Nov. 16 at 2 p.m. in the home of Mrs. Archie Carson Jr.

Bridge Winners

Mrs. Dale Lain and Mrs. Ray Sonnenburg were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club.

Mrs. G. W. Comegys and

Mrs. Bill Shira Reviews Book For H'makers

Mrs. Bill Shira reviewed "Where Two or Three Are Gathered Together, Someone Spills His Milk" by Tom Mullen for Young Homemakers Monday night in the High School Homemaking clothing laboratory.

Mrs. Shira presented the humorous account of the pleasure and confusion of the Mullen household which includes his wife, four children, a dog, five aquaria of fish, one frog and a guinea pig.

She quoted the author, "I spill milk. You spill milk. All God's children spill milk, and when we learn how universal this experience is, we'll be able to move beyond crying over it."

Mrs. John Poe, president, presided.

Plans were made for the annual Christmas dinner to be held Dec. 8.

Nineteen members, two guests, Mrs. Frank Codington, Mrs. Joe E. Ford, and one new member, Mrs. David Galloway, were present.

Hostesses were Mrs. Fred Hubbard and Mrs. Bobby Kiser.

Preston Morrow of Rotan were second and Mr. and Mrs. Gene Knabel were third.

Wedding Hints . .

Planning a wedding? These tips on getting information to the Hamlin Herald office should be followed.

1. Two pictures of the bride will be used only if the engagement is announced six weeks prior to the wedding. A one column picture will be used with the engagement announcement and a two column picture will be used with the wedding.

2. Only black and white prints will be used. A billfold size for the engagement picture is adequate. A 5 x 7 or 8 x 10 is suitable for the wedding picture. Glossy prints are preferred.

3. Wedding information and picture should be turned in before the wedding or on Monday immediately following a wedding that occurs Wednesday through Sunday.

Monday and Tuesday evening weddings should be reported no later than Monday. Information that is to be sent to a daily publication should be in the Herald office one week prior to the wedding date.

4. Information and picture received three weeks after the event will not be published. A brief announcement of the wedding will be used after three weeks.

5. Wedding stories and pictures are used when either the bride or groom is a resident or former resident of Hamlin. Grandchildren of residents may choose either to have a picture with cutlines or a wedding story.

Information blanks for engagements, weddings and anniversaries are available at the Herald office.

18 Become Brownies In Ceremonies

Eighteen girls participated in investiture ceremonies Tuesday afternoon to become brownies in Girl Scout Troop No. 354.

The girls received pins from Mrs. Dan Schuette in the investiture ceremony directed by Mrs. Bobby Stubblefield, troop leader, at the Jaycee Building.

Other workers with the group are Mmes. Bobby Crowley, Warren Reynolds, Randy Kelly and Ronnie Lincoln.

In the ceremony were Donna Mann, Jo Nell Allen, Dana Schuette, Elaine Wade, Shanna Reynolds, Sheila Lincoln, Leslie Fisher, Laurie Stubblefield, Michelle Bruner, Ceila Cowan, Regina Kelly, Jody Haight, Addie Smith, Missy Hodges, Reta Crowley, Vickie Cooper, Misty Waldon and Rita Williams.

The girls will meet the first three Tuesday afternoons of each month.

Mrs. Dale Reed Honored With Gift Tea Here

Mrs. Dale Reed, the former Denise Russell of Abilene, was honored with a gift tea Saturday afternoon in the home of Mrs. Eddie Offield.

Guests were greeted by Mrs. Clarence Fisher and presented to the honoree; her mother, Mrs. Maxine Russell of Abilene; and Wendy Russell of Abilene, sister of the honoree. The refreshment table was centered with an arrangement of blue and white carnations in crystal bowl. Other appointments were silver and crystal.

Other hostesses with Mrs. Offield and Mrs. Fisher were Mmes. Joe Fleckenstein, B. O. Bell, Floyd Briscoe, W. O. Willbanks, Dan Gallagher, Gene Knabel, Bill Comegys and Ray Sonnenburg.

The couple married in September and are making their home in Coffeyville, Kans., where he is employed by the U. S. Weather Bureau.

Jones County Cancer Society Meets Monday

Dusty Echols of Caddo, district public education chairman, spoke to the Jones County Unit of the American Cancer Society at the Monday evening meeting held in Anson at Jody's Cafe.

She stressed the importance of educating the public to the need for periodic checkups and other aspects of Cancer and its treatment.

John Barnes of Abilene, staff member, gave the staff progress report.

A guest with Mrs. Echols was Janie Stewart of Breckenridge, also a staff member.

Twenty-two persons were present. Attending from Hamlin were Mmes. Othel Sipe, Kenneth Riddle and John C. Bryant.

FROM THE FILES . . .

FIFTY YEARS AGO

(November 16, 1923)

The boosted Merkel champions went down in defeat in a game of football on the Hamlin field here Monday, 13-6. It was one of the best games yet to be played by the Hamlin Hi. Hamlin Hi will take on the Stamford Bulldogs on the Hamlin field this Friday, if the weather will permit. Every store in town should close for this game. Hamlin's line up for Monday will be: Payne, center; Harden and McGee, guards; Carlton and Graham, tackles; Boyd and Cassie, ends; Johnson and Withers, halfbacks; Randel, quarterback; and Patterson' fullback.

The past Armistice Day was the quietest that Hamlin has ever experienced. Coming on Sunday and no special program was one reason and then Monday, with only a part of the stores closed and the thought that the day had passed and the reoccurrence of the rains made other reasons for the quietness. The football game was the most exciting feature of the day.

Following the program the Legion men were invited to the E. T. McGee home where Misses Lennie Greenway, Zedie McGee and Ruby Mcuff and Mrs. McGee were hostesses to an informal reception.

The 11 students making the highest grades in Hamlin High School, organized a Monitor's Club. Those belonging to this club have special privileges.

TWENTY YEARS AGO

(November 13, 1953)

The Hamlin Volunteer Fire Department netted a sizeable sum as their share of the proceeds of the three-day performance of Plunkett's Tent Show. The show appeared Monday, Tuesday and Wednesday evenings on the lot just east of Jay Implement Company.

With the first real cotton picking weather persisting in the Hamlin territory this week since rains and drizzles halted the crop gathering two weeks ago, the fleecy staple was rolling to the gins at increased tempo when the Herald went to press Thursday afternoon. Thousands of bales of the first appreciable cotton crop in four years produced by the area loomed white in the fields. It is estimated that some 10,000 to 12,000 bales are now ready for harvest.

Good sized crowds are attending the revival meeting in progress at the North Central Avenue Baptist Church, which will continue through Sunday evening. Rev. Alfred Altum is doing the preaching.

A new telephone directory for patrons of the McCaulley Telephone Exchange was produced in the printing department of The Herald. It

is an eight page book printed on tough cardboard and carries ads of Hamlin, McCaulley, Rotan and Roby advertisers. McCaulley exchange recently went to the dial system.

Hamlin Future Farmers of America teams took top honors in two of three contests conducted at Stamford Tuesday evening between boys of the area.

TEN YEARS AGO

(November 7, 1963)

The Pied Pipers will host the Haskell Indians here Friday night with the fathers of the Piper players being honored before the start of the game. The annual Dad's Night event will open the pre-game ceremonies. The Indians are expected to be up for this contest as they are still in the running for a share of the district title if Winters drops either of their last two contests. The Pipers, while out of the race, will be trying to avenge their loss to the Indians last year and to improve their standing in the district race.

Texas qualified voters will go to the polls Saturday to vote four amendments to the state's constitution. The most publicized of the four amendments will be the one to remove the poll tax as a voting requirement.

The Hamlin Citizens Radio Club was organized here Monday evening in the primary school cafeteria with Rev. Spencer Liles being elected president. Anyone interested in learning more about the citizens radio is encouraged to contact any of the club members. The next meeting will be held Nov. 18, in the primary cafeteria.

Cheryl Rister, daughter of Mr. and Mrs. D. C. Rister Jr. of Hawley, has been named Jones County Gold Star Girl of 1963. Mike Holloway, 15-year-old son of Mr. and Mrs. W. M. Holloway of Anson, has been named Jones County Gold Star Boy for 1963.

NEWS AND VIEWS . . .
And What Have You
—Continued from page one

and cooperation of the Federal Bureau of Investigation, the Internal Revenue Service and Social Security files.

And according to Bert Smith, the findings would be aired each Sunday afternoon on all television networks in the time slot usually reserved for pro football games. That would bring prompt action from an aroused public, says the Andrews attorney, and we are inclined to agree with him.

Bonds are for
little tiny babies
who've
just been born.

Newborn babies need a lot of things. Like love. And security. U.S. Savings Bonds can show you care and help make a new baby's future more secure at the same time. U.S. Savings Bonds . . . A gift that keeps on growing.

Take stock in America.

Buy U.S. Savings Bonds

How U.S. Savings Bonds pay 4% interest when held to maturity. If you own 10 bonds a \$4.00 bonus will be added. Bonds are registered in full, unless so designated. When bought they are held in full until sold. Interest is paid semi-annually. Bonds are subject to federal income taxes, and federal tax may be withheld upon redemption.

SURE HANDS OF THE SURGEON

A child walks . . . an arm is straightened . . . a growth is removed . . . these and many other things are the result of the fine work of the surgeon. This is an occupation and a labor worthy of appreciation.

A star . . . a new born baby . . . the world itself . . . these and many other things reveal God to us. "The heavens declare the glory of God; and the firmament sheweth his handywork."

Psalms 19, 1

God has wrought
a great work. Let
us show our love
and appreciation
by worshipping
him in Church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

PICKS UP A FIRST—Piper Quarterback Willie Hooper (10) picks up a first down against Stamford Friday night. Coming back to block for Hooper is Bill Cork (20) and leading the play is L. J. Lee (81). (Photo by Tim Jones)

Pipers Win Big Shootout At Stamford Friday, 63-32

An old-time country feud erupted in Stamford Friday night with the Pied Pipers winning the big shootout, 63-32, over the Bulldogs to take their third district contest and keep their undefeated record intact.

While both teams limbered up their big guns for the contest, neither team seemed to be interested in playing defense. Between the two teams there were 95 points scored, 46 first downs made, and over 1,000 yards in total offense.

While the Piper offense was scoring in every quarter, its defense did manage to stop the Bulldogs from scoring in one period, the third. But both teams averaged over eight yards for every time they ran a play as it was the night of the big plays.

Top ground gainer in the game that saw four backs make over 100 yards was Hamlin's Johnny Jones who carried 25 times for 270 yards and four touchdowns. This brought his season total for eight games to 1,475 yards in 139 carries for an average of 10.6 and a total of 110 points.

Hamlin's big, hard running fullback Albert McAfee had 132 yards in 16 carries and two touchdowns to bring his season total to 654 yards in 97 carries for a 6.7 average. He has scored 60 points.

Steven Medford was top gainer for the Bulldogs with 180 yards in 13 carries, followed by Don Earl with 121 yards in 20 carries.

The action packed evening got off to a fast start as the Pipers received the opening kickoff and used only three plays to get on the scoreboard. Jones carried for 39, McAfee for eight and then Jones scored from the 11. Quarterback Willie Hooper took the snap for a kick but ran around his left end for the two points.

Following an exchange of punts, the Bulldogs got their offense rolling and moved 37 yards in five plays with Gonzales passing to Mueller for the final 11 and the touchdown. Ronnie Maberry broke up a two-point pass play and the Pipers held onto an 8-6 lead with 6:50 left in the first period.

Aided by a roughing the kicker penalty, the Pipers scored on their next possession on a drive that covered 59 yards in seven plays. Jones and McAfee combined to give the Pipers a first down at the Stamford 47, but a five-yard penalty was more than the Pipers could overcome in the next three plays and they were forced to punt. But a Bulldog player knocked McKissack down and the Pipers owned another first down at the Stamford 27. Another five yard penalty put them back to the 32, from where it took McAfee just two plays to score. The scoring play was good for 26 yards over right tackle. McKissack kicked the first of seven extra points for the night.

But Stamford came right back to score again this time on a 68-yard drive that took 11 plays and the help of a 15-yard penalty against Hamlin. Medford scored from one yard out and again it was Maberry

who broke up the two-point pass try and the Pipers owned a 15-12 lead with 10:55 left in the second quarter.

Following the kickoff, it was the Piper's time to score again with a 76-yard drive that took 11 plays. Jones carried for gains of 9, 9, 2, 9 and 16, McAfee carried for 2, 4, and 3, Hooper carried for gains of 11 and 6 and Bill Cork added 6. It was Jones' 16-yard run that put the ball in the end zone and McKissack added the point after.

A spark of Piper defense showed up on the next series as Safety David Willis picked off Gonzales' first down pass following the kickoff and returned it about 35 yards for another Piper score. McKissack added the point after to give the Pipers a 29-12 lead with 5:57 left in the half.

The two teams exchanged punts again as the Pipers failed to connect on a long bomb and Stamford ended up with the ball on their own 20 and three plays later they were on the scoreboard again. Medford broke a long 57-yard gainer to open the drive, Earl carried for 13 and then Gonzales passed to Mueller for 14 yards and the score. The two-point try failed and the score was 29-18 with five seconds left in the half.

Stamford took the second half kickoff and drove down to the Hamlin 2 before giving up the ball on downs. A 43-yard run by Medford put the Bulldogs on the Hamlin 23 and a penalty moved the ball on down to the 12. On second down Medford carried to the four and then Earl added one more but the fourth down try by Medford was stopped at the line of scrimmage by Ray Seifres.

Taking over on their own three, the Pipers moved the 97 yards to paydirt in 10 plays with two big pass plays from Hooper to Cork eating up most of the yardage. The first one was good for 34 yards and the second one for 27 yards. Both were on third down situations. Willis scored on an end around from the seven to cap off the drive. McKissack added the point after and the Pipers were ahead 36-18 with 4:10 left in the third period.

The Piper defense stopped the Bulldogs again following the kickoff and Stamford got off a short punt to the Hamlin 45. Eight plays later Hooper scored from the one on a sneak. It was a fourth down try for the Pipers. A pass from Hooper to Cork was good for 31 yards of the drive. McKissack added the point after again and now the Pipers led 43-18 with 11:36 left in the game.

The next Piper score came following another Willis interception that he returned 25 yards to the Stamford 39.

McAfee carried for 17 yards and then Jones went around his right end for the final 22 yards for the score. He ran over two Bulldog defenders to make it into the end zone. Hooper tried to pick up two points but failed and the Pipers led 49-18 with 9:50 left.

But Stamford was not out of the contest as they came back in two plays to score with Bryant Hansen going 72 yards for the score. He also converted the two-pointer to cut the Piper lead to 49-26 with 9:02 left.

The Pipers were forced to punt on their next possession and Stamford took over on their own 11. Medford carried for 13, Earl for 56 and then Medford for 19 and the score. The point after try failed and the score was 49-32 with 6:42 left.

Stamford drew a 15-yard penalty following the kickoff and the Pipers had the ball on the Stamford 41. Jones started for the goal line down the left side of the field and left a string of would be tacklers behind him for the first 20 or 30 yards and then broke into the clear to score standing up. McKissack again added the point after and the score was 56-32 with 6:15 left.

Stamford took over on the Hamlin 42, when Hamlin drew a 15-yard penalty on the kickoff, but four plays later had to give up the ball on the Hamlin 35. Jones carried for 43 yards to the Stamford 22, McAfee picked up six and then Jones was dropped for a four yard loss. McAfee picked up five more and then on fourth down and needing three he broke loose for 14 and the score. McKissack added the final point of the night and the Pipers owned a 63-32 lead with 2:08 in the game.

Stamford fumbled a short kickoff and Luke Reynolds recovered it on the Stamford 41. Maberry carried for a first down at the 30 and Steve Evans picked up three before Sophomore Quarterback Robert Phariss came in to run three quarterback keepers for 11 yards to run the clock out.

Linda Ruth Lane of Houston and Judith Ann Prince of Odessa are the first women graduates of the Texas Department of Public Safety's Academy.

Potential temporary directors of water districts in the future must be interviewed by Texas Water Rights Commission.

Collision With Ambulance

Driving home from work, Harold crashed into an ambulance at a busy intersection. In short order he found himself facing a charge of "failing to yield the right-of-way to an emergency vehicle."

But in court, Harold came up with the following facts in his own defense:

- 1) that the traffic light had been in his favor;
- 2) that he had not heard the siren because he had his windows up and his radio on; and
- 3) that he had not seen the ambulance until the last moment, because other cars were obscuring his vision.

Under these circumstances the court could find nothing negligent in Harold's conduct, and dismissed the charge.

Traffic codes generally do give special privileges to ambulances. However, these privileges are not

NEWS FROM . . .

Old Glory

By Bernice D. White

School officials report that 13 adults have enrolled in the adult education classes held at the Old Glory School. Two more are needed to meet the required number of fifteen.

The classes meet at 7 p.m. on Tuesdays and Thursdays. Mrs. Jo Rhodes is the instructor in typing and bookkeeping, and Violeta Castro will teach language development and G. E. D. reviews.

There is no charge for the classes or for the material.

Two mistakes were made in reporting the candidates and escorts for the school yearbook royalty. Shelley Dunham is the candidate for Princess from the 3rd and 4th grades. Her escort is Lanham Martin. Also, Freddy Barrera is the escort for Lisa Bookman, a queen candidate. The Coronation is being planned for the evening of Nov. 15.

Mrs. Lynn Flowers and Mrs. Hazel Overton of Stamford were here Sunday visiting in the home of Mr. and Mrs. Beno Herttenberger. Other visitors in the Herttenberger home were Mr. and Mrs. Roy Herttenberger of Aspermont and Mr. and Mrs. Malcolm Herttenberger and Lane of Rule.

On Thursday of last week Mr. and Mrs. Beno Herttenberger were dinner guests in the home of Mrs. Loyd Flowers. In the afternoon they visited in Lueders with her brother Henry Archer, and on their way home that afternoon they stopped in Stamford and had supper with Mr. Herttenberger's sister, Mrs. Pauline Fuqua.

Mr. and Mrs. Eddie Jones and children were here from Kansas last week visiting with friends. The Joneses are former residents of this community.

Mrs. Herman Letz returned home last Friday after spending a week in the hospital at Seymour.

Mr. and Mrs. Raymond Geroff of Abilene were here last Sunday visiting in the home of his mother, Mrs. Katie Gerloff.

Mr. and Mrs. Loy Zane Garner and daughters of Abilene were here last Sunday visiting in the home of his parents, Mr. and Mrs. Morris Garner. Also, Mr. and Mrs. Morris James of Richardson were here visiting with them. They brought Mrs. Willie Fletcher back home after she had been there several weeks visiting with them.

Other visitors in the Morris Garner home last week, included Mrs. Annie Lee Tribbey and Mrs. Edith McDaniel, both of Rule; also on Wednesday evening, Mr. and Mrs. John Duncan of Rule visited with them.

Visiting in the home of Mrs. Bernice White last Sunday were her daughter and husband, Mr. and Mrs. Don McDonald of Wilson, Dean Jameson and Betsy Brown of Lubbock, Mr. and Mrs. Cecil Klump and Mrs. Emma Klump.

Mrs. Katie Gerloff and Mrs. Barnett visited in Stamford at Teakwood Manor with Mrs. Adele Dudensing recently.

There is a big empty space in Old Glory right now. Its the

space left vacant last week when the big two story Wienke house was moved to Rule. The house had stood as a sort of landmark here since 1915, built and occupied by Mr. and Mrs. W. G. Wienke and their children. Mr. Wienke owned a gin here. There was a time when that corner of town that was filled by his gin and their big two story house was a corner of much activity, especially in the fall of the year. That old house took along a lot of fond memories for many in the community, but it is hoped that the spot where it stood will not be vacant for long.

AARP Meeting Set Tonight

The American Association of Retired Persons will meet at 6 p.m. this evening (Thursday) in the Jaycee Community Building for a covered dish supper.

Officers for 1974 will be elected and a panel program will be given on the history of Hamlin and other Jones County towns and communities.

Those interested in becoming members are invited to attend.

GOVERNOR ANNOUNCES FOR RE-ELECTION—Governor Briscoe, addressing more than 9,000 at a record fund-raising dinner in his honor, announced he will run for a four-year term next year.

Estimates of income from the dinner ran in the \$750,000 range, less \$100,000 expenses.

The governor designated former Congressman Joe Kilgore, Austin attorney, as his 1974 campaign manager.

Sponsors of the Briscoe dinner termed it one of the most successful of its kind ever staged for a state candidate in Texas.

TERMINAL DECISION POSTPONED—Texas Offshore Terminal Commission put off for a month a recommendation on endorsement of an offshore

Billy Acklin On Parachute Team for Navy

YM 1C Billy Acklin, 1963 graduate of Hamlin High School, has been among the U. S. Parachute team, Atlantic. The team has been recently making live parachute drops during half-time performances at pro-football games.

They also made a drop into the water at Sea World in Aurora, Ohio, for the Mike Douglas Show June 5.

He is the son of Mr. and Mrs. I. D. Acklin of Anson and brother of Mrs. Danny (Vickie) Warner and Mrs. Jack (Paula) McDonald. He is married and the couple have two daughters.

Nine men are assigned to the parachute team, but only five participated at Sea World. These men are all part of the Navy's VDT-SEAL (Underwater Demolition Teams and Sea Air Land Teams) stationed at Little Creek Naval Amphibious Base, Virginia Beach, Va.

Parachuting is one of their many qualities, which also include, but is not limited to, combat swimmers, scuba divers, demolition experts, jungle warfare, hand to hand combat and airborne training. All the men on the team are graduates of High Altitude Law Opening (HAW) School and are qualified to parachute from as high as 40,000 feet. This type of parachute jumping is used in Guerilla warfare tactics where a small band of men insert secretly into an area without alerting the enemy.

The parachute team has converted the military aspect into a thrilling show for all to watch.

mooring system for unloading oil from supertankers to allow time for examining a proposal of Galveston officials to build an on-shore deepwater port.

Galveston Wharves proposed a 60-mile, 100-foot-deep channel to accommodate deep draft vessels. TOTC agreed to delay until November 27 action on two phases of its seven-part report to the legislature on feasibility and site location of a future offshore terminal.

About 800 are serving time in Texas prisons for marijuana offenses.

Neinda Philosopher Explains Why Most Parents Don't Want Their Sons In Politics

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a broad look at the political situation in the country these days.

Dear editor:

According to a public opinion poll I read in a newspaper last week which fell out of my neighbor's mail box and which I put

back in the next day — after all, in these times who pays any attention if mail is a few days late — at any rate, to start over again, according to this poll 64 per cent of the parents in this country say they would not like to have a son go into politics.

I have been thinking about this and have concluded there are two major reasons why this is so.

(1) Politics is so scandal-ridden, graft-ridden, power-ridden that I can see why a parent wouldn't want to say "Yes, my son is in politics in Washington," any more than he'd want to say "Yes, my son is in dope in New York." This of course is over-drawn. I know there are honest politicians throughout this country and if we keep investigating and investigating they're bound to show up.

(2) On the other hand, the reason 64 per cent of the parents in this country wouldn't want their sons to go into politics may be that they know their kids better than we do and aren't sure they could stand being investigated either. It's just a thought.

To tell the truth, I have about decided that politics is like high school football. Given just ordinary coaching, a winning team shows up when a group of good athletes comes along at the same time. They seem to come in waves, like wet years and dry years. You have a winning team a season or two, then you run out of outstanding players and things drop off to a losing streak.

Politics is the same. Right now, I'd say the government has very few outstanding players and as a result we've got a long losing streak.

Yours faithfully,
J. A.

Rotan School Gets Approval For GED Tests

K. C. McCasland, superintendent of Rotan Independent School District, has received notice that Rotan High School has been approved as an official General Educational Development (G.E.D.) testing center for 1973-74.

Mrs. Rudy Hamric was appointed chief examiner in charge of administering the program.

The G.E.D. will be administered upon written request of the student, or upon personal request of the student.

For additional information call Mrs. Hamric after 4:30 p.m. at 735-3370 or contact her at the Community Center on Tuesday or Thursday evenings 7 to 9 p.m.

The primary use of the GED tests is to appraise the educational development of adults who have not completed their formal high school education. Through achievement of satisfactory scores on the tests, adults may earn a high school equivalency certificate.

The GED tests are a battery of five comprehensive examinations in the areas of English composition, social studies, natural sciences, literature and mathematics. Approximately two hours are required to complete each test. However, no time limits are set.

TOP GROUND GAINER—Johnny Jones (24), Hamlin's talented junior running back, powers his way for extra yardage against the Stamford Bulldogs Friday night. Jones broke tackle after tackle as he used his speed, power and quickness to score four of the Piper touchdowns in their 63-32 victory over the Bulldogs. Jones carried 25 times for 270 yards to lead the Piper attack. (Photo by Tim Jones)

Highlights AND Sidelights

AUSTIN—Over 200 leaders of industry and representatives of professions met in the capitol last week to review the new state laws governing campaign contributions, expenditures and lobbying.

Secretary of State Mark White and Attorney General John Hill discussed the major legal changes brought about by the "reform" legislation of the last Texas legislature.

"We are living in a period of legal transition," the Attorney General told the business and professional men and women. "My office has produced over 200 opinions so far this year — more than the total last year — and over 100 opinions are stacked up to be prepared."

White outlined his recent "campaign contributions and expenditures directives" at the

meeting sponsored by the Texas Society of Association Executives.

Other speakers reviewed the details of the new lobby law and the sections of the penal code which affect campaigns and lobbying.

"H.B. 2 — the new lobby law — is unconstitutional," stated Frank Maloney, Austin attorney. "It violates both the first and fifth amendments to the constitution."

He cited federal cases which supported his opinion on the new Texas lobby law, and other speakers pointed out that several AG opinions are needed in this state to clarify sections of the campaign expenditures law and lobby law.

Political action committees for state businesses and associations are being formed as a result of the new laws.

Labor unions must go the PAC route in Texas now also, because they are prohibited under the new law from contributing to political campaigns.

Speakers on the program indicated that the Sharpstown scandal and Watergate investigations are going to make office holders, candidates and those who work and contribute to campaigns very wary about future political activities in this state.

"Until we get more information from the Secretary of State's office, and additional Attorney General's opinions, most representatives of business, professionals, labor and industry are going to be very cautious about participating in political campaigns and contributing to campaigns," one spokesman for the group said.

"None of us wants to be the first 'test case' under these new laws," he concluded.

Others observed that it was going to be harder to get good people to run for public office because of the tough new laws, and predicted the strict campaign laws would make it easier for incumbents to remain in present offices.

Both Jack R. Martin, Houston, president of TSAE, and Gene N. Fondren, chairman of the TSAE Government Relations Committee, outlined the need for future briefings for state business and industry leaders on the new laws governing the mechanics of "Texas politics."

Details of the lobby law were explained by Austin attorney Gaylord Armstrong.

LEGISLATURE GETS REVISION—A proposed 13,500-word rewrite of the 97-year-old Texas constitution has now been handed the legislature for its consideration.

A blue ribbon, 37-member

revision commission presented the document to legislative leaders last week with an urgent request that it serve as a starting point in the 1974 constitutional convention starting January 8.

Lt. Gov. Bill Hobby, House Speaker Price Daniel Jr. and Gov. Dolph Briscoe accepted the commission's redraft — which streamlined the much-amended 55,000-word 1876 constitution — in historic ceremonies.

Hobby noted that delegates to the 1875 convention faced a "crisis of confidence" similar to that confronting lawmakers who will be 1974 revision delegates.

"The people no longer trust government because so much corruption and villainy has been uncovered," said Hobby. "We must act to end this crisis, at least in so far as state government is concerned."

Daniel said a vast majority of the 181 lawmakers already have agreed that the commission document should be used as a guide at the convention. He again predicted delegates can complete their work in 90 days. The convention, said Daniel, is "the best prepared ever to assemble in the history of our nation."

Nobody claimed the new document is perfect.

"It is not a purely 'pure' constitution of fundamental principles, but neither is it a purely 'political' constitution," Commission Chairman Robert W. Calvert said. "But we assert with the utmost confidence that, if the convention will use this document as a basis from which to work it will find far more areas of agreement than of disagreement; and it will find also that our work has minimized its labors."

The convention's final work will go to voters for their approval or rejection.

MARIJUANA CASE REVIEW ORDERED—The Board of Pardons and Paroles has been called on by Governor Briscoe to review marijuana possession felony convictions under old state law where less than four ounces of the substance was involved.

South Central Texas cotton farmers have been granted an extension on cotton stalk destruction on a personal-need basis only.

Services Held Monday for Mrs. Josey, 72

Mrs. Opal Free Josey, 72, a resident of Sylvester for 45 years where she and her late husband, A. L. Josey, owned and operated a grocery store, died at 10:20 p.m. Saturday at Simmons Memorial Hospital. She was a resident of Sweetwater.

Funeral was held at 4 p.m. Monday at Sylvester Baptist Church. The Rev. O. R. Blake, retired Baptist pastor from Bronte, officiated. Burial was in Sylvester Cemetery under the direction of McCoy Funeral Home of Sweetwater.

She was born Apr. 19, 1901, in Eastland County and married A. L. Josey. He died in 1951.

Survivors are three daughters, Mrs. W. W. Kelsey of Abilene, Mrs. Fred Taylor of Aurora, Ill., and Mrs. Freddie Kaiser of Sweetwater; two sons, James of Hamlin and Cecil of Irving; 13 grandchildren and five great-grandchildren. Grandsons were pallbearers.

State agency heads received a briefing from top officials on benefits of new zero-base budgeting.

Sen. O. H. (Ike) Harris of Dallas will serve as governor for a day December 1 — the first Republican to hold the position.

GOOD ROADS MAKE IT EASIER

Time-wasting and dangerous—or swift and safe?

How did YOUR motor trip go?

No doubt it depended on—

- The road.
- Your car.
- Your driving.
- And the traffic.

A well-engineered, well-built, well-maintained highway makes the other factors work better. Your automobile holds the road better on a properly designed curve. A good road gives your driving skills no unfair or unexpected tests. Thick traffic is less burdensome on a wide, smooth highway than in tricky going.

On a first-class road, it's easier to drive friendly!

Texas is proud of the nearly 70,000 miles

of highways that make up its system: 3,000 miles of completed Interstate, nearly 27,000 miles of federal-state highways and over 39,000 miles of secondary roads bearing the typically Texas name, farm/ranch-to-market.

Unfortunately, good highways don't stay built. They take day-to-day upkeep and repair, and at regular intervals a thorough rebuilding job. The heavier the use, the heavier the treatment.

Truck traffic wears out road surfaces faster than cars, but the Texas system of vehicle licensing and fuel taxation keeps the score equalized. A big 61.5% of Texas communities depend entirely on trucks for shipping service. That's why 1,625,000 trucks were registered in Texas last year.

Trucks run better on good roads, too.
